AMANDA VALVERDE

Interaction and product designer with a strong foundation in human behavior, information architecture, and service systems. Focused on designing intuitive workflows, inclusive design systems, and thoughtful service touchpoints across complex stakeholder environments.

Experience

CAPITOL CREATIVE ALLIANCE, Sacramento, CA (Hybrid) 6/2021 – 8/2025
UX/UI & MARKETING SUPPORT, SOCIAL MEDIA LEAD

- Partnered with CCA co-chairs to architect a nonprofit membership platform, driving discovery via stakeholder interviews, staff workflows, and affinity mapping.
- Structured information architecture through open card sorting and tree testing, optimizing intake flows and direct access to essential community resources.
- Evaluated interactive pricing prototypes through task-based usability and quantitative testing (Kano, MaxDiff) to resolve choice paralysis and clarify value propositions.
- Coded and deployed responsive navigation menus using vanilla JavaScript, HTML5, and CSS to organize podcast taxonomy and improve content discovery.
- Analyzed user behavior and engagement trends via Hootsuite, Meta Business Suite, and email metrics to guide cross-functional digital and content strategy.

WORLD RELIEF, Sacramento, CA (Contract Hybrid) 12/2024 – 2/2025
MARKETING ASSOCIATE

- Restructured marketing department asset libraries on SharePoint, establishing intuitive folder hierarchies, metadata taxonomies, and standardized file organization to streamline internal asset discovery.
- Designed original digital collateral and reusable Canva templates alongside the Community Engagement Team for marketing campaigns, regional events, and donor communications, ensuring visual cohesion across cross-functional teams.
- Managed weekly multi-channel digital deployment across Facebook, Instagram, X/Twitter, and LinkedIn, creating high-impact calls to action.

GROW DESIGN & DEVELOPMENT, Auburn, CA (Hybrid) 8/2021 – 3/2023
UX/UI PRODUCER & SOCIAL MEDIA SPECIALIST

- Produced interactive, modular courseware and LMS user flows in Articulate Storyline 360 for CDSS's statewide platform, contributing to a curriculum that issued 1.8M+ certificates and reduced learner runtime by 50%.
- Conducted Section 508 and WCAG compliance audits using JAWS screen readers, implementing accessible content structures in Storyline 360 and authoring the Accessibility Conformance Report (ACR via VPAT) required for state procurement review.
- Synthesized multi-state compliance legislation (CA, NV, PA) into linear, persona-based learning architectures, decoupling dense statutory citations into an external reference index to minimize cognitive overload.
- Applied the core design system across Storyline 360 modules, producing standardized slide layouts, accessible contrast palettes, and interactive scenario-based checks across diverse professional learner tracks.
- Utilized social media marketing tools to create and maintain brand identities, and coordinate content collaborations.

SUICIDE PREVENTION OF YOLO COUNTY, Davis, CA 10/2018 – 3/2020
ADMINISTRATIVE ASSISTANT

- Restructured the iCarol database and resource directory, optimizing search taxonomy, referral pathways, and critical resource retrieval for frontline staff.
- Delivered trauma-informed crisis intervention and active de-escalation for individuals navigating acute psychological distress and emergencies.
- Conducted real-time lethality risk assessments and authored clinical incident documentation under strict HIPAA compliance to ensure seamless care continuity.
- Coordinated handoffs to regional tertiary services and synthesized longitudinal outcome data from the Signs of Suicide program.
